NOTES AND EXPLANATIONS

"The Chief, Militia Bureau, will publish from time to time an official register of the National Guard." This is the third annual edition of the Official National Guard Register published in conformity with the National Guard Regulations quoted above.

The Chief, Militia Bureau, is charged with the classification of all officers of the National Guard. This classification will serve as a basis for the assignment in which it is contemplated to use the officer in time of emergency and for which he is to be trained in time of peace.

The classification of the officer shows his Federally recognized status and assignment, all of his previous service with corresponding dates, status in the Officers' Reserve Corps, as shown in available records. The delay in the publication of this edition of the National Guard Register was caused by the work entailed in compiling the necessary information to make this official record. In addition to the foregoing, the data contained herein will aid in determining the officer's longevity pay.

It is the intention of the Chief, Militia Bureau, to include in the next edition the war-time mobilization vacancies as well as the position in the organization at peace strength.

Officers of the National Guard are credited with State service prior to the passage of the national defense act, June 3, 1916, from date of appointment by the State; subsequent thereto, from the date of Federal recognition. State service is shown in roman type. Federal service is shown in italic type. Reserve commission, serial number, and amount of prior service in the grade now held in brackets under the name.

Letter "B" following name denotes place and date of birth.

Letters "M. A." denote officer is a graduate of the U. S. Military Academy.

Letters "N. A." denote officer is a graduate of the U. S. Naval Academy.

The initials "M. H." under the name of an officer denote that a Medal of Honor has been awarded to him.

The initials "D. S. C." under the name of an officer denote that the Distinguished-Service Cross has been awarded to him.

The initials "D. S. M." under the name of an officer denote that the Distinguished-Service Medal has been awarded to him.

Errors or omissions should be reported to the Chief, Militia Bureau, through the Adjutant General of the State, by any officers noting same.
